Judgment at Nuremberg

Book by Abby Mann

Influential Nazis face a military tribunal in post-war trials held in Nuremberg, Germany. Issues at the forefront of these trials have reverberated through the last century and challenge humanity to this day. In past seasons, CTG's productions of courtroom dramas *A Few Good Men* and *Inherit the Wind*—also staged in courtrooms downtown—had our audiences on the edge of their seats! At a time when some world leaders deny the Holocaust's very existence, CTG encourages you and your family to witness this haunting drama that reinforces its horrible significance and underscores the cry of civilized people everywhere: "Never again!"

"A magnificent re-enactment of the seminal trials of the modern era."
